

Welcome to the Quincy K-9 Connection Family!

Thank you so much for your interest in volunteering Quincy K-9 Connection. Transporting shelter animals to safe, responsible rescues and adopters is not only a rewarding experience, but also very humbling one.

Transports are the lifeline of rescue. When homeless or unwanted pets at high-kill shelters find rescue or a new forever home, transporters act as a bridge to get animals from their shelter to their rescue or forever home.

Quincy K-9 Connection transports every Saturday. All volunteers are unpaid and donate their own time and resources to helping out our furry friends. We are always looking for new transporters. You must be of legal age, have car insurance, a willingness to help others and lots of love and patience. We request drivers for the following routes every week:

Quincy to Springfield
Springfield to Bloomington/Lexington
Lexington to Joliet
Joliet to Chicago/suburbs/Wisconsin

If you are interested in helping as a volunteer transporter, please complete the following:
Volunteer Transporter Information Request Form
Transporter Waiver of Liability Form (Two Parts if filling out on-line)

You must have a waiver on file to begin transporting. You will also need crates which can be acquired from garage sales, second hand stores or we can loan you crates to use until you get your own.

Thanks so much for your interest, and we look forward to seeing you on our next transport.
